- Require that voters who do not vote in person provide an approved form of government-issued photo identification, unless the law authorizes those persons to vote by providing a signature and at least one other specified unique identifier.
- Define approved forms of government-issued photo identification as an unexpired Ohio driver license or state identification card; a United States passport or passport card; or a United States military identification card, Ohio National Guard identification card, or United States Department of Veterans Affairs identification card.

If approved, the amendment shall take effect immediately.
